

Invitation for Sponsorship

Rhizosphere 5 is the fifth in a series of international conferences devoted to the study of the rhizosphere and will take place in Saskatoon, SK, Canada July 7–11, 2019.

The conference—which will showcase latest advances in our understanding of the below ground world of plant roots and their interactions with the soil physical, chemical and biological environment—offers sponsorship opportunities for interested stakeholders at one of the six sponsorship levels listed below.

This is an excellent opportunity to gain visibility in the soil health research community and showcase your products, services or activities to a diverse national and international audience.

Below you will find descriptions of our sponsorship packages. We are also happy to work with you to customize a sponsorship opportunity that best suits your goals and budget. For example, the conference materials (book, program, bag, rollup etc.).

For more information about Rhizosphere 5, contact us at: info@rhizo5.org
or visit the conference website at <https://www.rhizo5.org>
